

ANNUAL PARTNER RECEPTION
Saturday, November 10, 4:30-6:00 PM

The purpose of our conference is to provide attendees an opportunity to interact with our valued Partners in a relaxed setting. Food and beverages will be provided, and Partners will be able to display products as well as circulate at the reception for more *personal interaction*.

Each Partner is encouraged to bring a team large enough to man a booth, in addition to circulating and interacting with conference attendees, and to bring products/displays that are interactive and entice participation. Partners are also encouraged to bring an item(s) that will be donated for a drawing during the reception. Prior to each item being given away, the donating Partner will be recognized.

The Partner reception sponsor will have an opportunity to deliver a brief welcome. All attendees will receive a ticket as they enter the reception to be eligible for prizes provided by the Partners. An attendee *must be present to win*.

****Remember****

**Please bring item(s) to donate as door prizes and have your business recognized during the reception.
Attendees must be present to win!**
